Italian Style

- Superior Italian design from 100 years of furniture manufacturing experience
- Cribs convert to toddler beds, child's day beds and full-size beds (rails sold separately)
- Cribs have 3 different mattress height levels
- Most cases have adjustable levelers on front posts/feet
- Nylon glides on cribs and cases to help prevent scratching of floors

Como Forever Crib – 2600
W:59 x D:31 x H:48

Como Toddler Rail – 1515
W:59 x D:31 x H:48

Como Bed Conversion Rails – 1216

Top Quality Manufacturing

- All crib slats made of select solid Radiata Pine for its exceptional strength while being environmentally responsible
- All crib slats are glued and nailed, top and bottom
- All composite wood materials (MDF, particle board or plywood) are certified to meet California and EPA requirements for formaldehyde emissions
- Taller cases feature tip restraint kits
- Drawer boxes with soft-closing, full-extension drawer glides for safety and convenience
- Drawer boxes in solid wood with English dovetail joints (front and back)
- Solid wood corner blocks and supports underneath every drawer box for the best construction

Como Double Dresser – 2606

Superior Safety

- JPMA member since 1971
- All cribs and cases are tested to voluntary American Society for Testing and Materials (ASTM) standards
- All products are compliant with Consumer Product Safety Commission (CPSC) recommendations
- Furniture meets or exceeds all mandatory and voluntary standards for all products for both US and Canada
- Every production run is tested to exceed all required lead standards

Commitment to the Environment

- Green Guard Gold Certification
- Solid woods that are sustainably harvested from trusted and reliable sources that are committed to minimizing environmental impact
- Non-toxic finishes regularly tested by independent laboratories
- CARB compliant composite woods certified to meet formaldehyde standards
